

GAMEBRAIN

GAMEBRAIN

EMPLOYMENT VACANCY Chief Technology Officer

Gamebrain are the Serious Games and Apps division of Amuzo. We create Learning Games and gamified Apps for international brands.

Whilst we are part of a larger organisation that has been in business for 20 years, we consider ourselves a start-up where you will be key to our future direction and success.

You will be one of three highly experienced and motivated people on our Management Team.

SERIOUS PLAY
